## Fruit Cake Recipe, Printed In HERALD 25 Years Ago, Is Still a Family Favorite

There's an eggless and butterless fruit cake that for more than 25 years has been enjoyed by many Torrance residents. It was first printed in the Torrance HERALD 25 years ago and was contributed by Mrs. Irvin Allen, 1019 Portola Ave. who has lived with her husband in the same house on Portola since 1920. Mrs. Allen says "I had forgotten about giving that recipe to the paper, but I'm still making it and so are many of my neighbors."

It was contributed this week to the Herald's recipe column by Mrs. Jesse Sprout, 2246 239th St. who clipped it 25 years ago and has handed it to her children and her grandchildren as well as many neighbors. Mrs. Sprout still serves it especially during the holiday season.

Mr. and Mrs. Sprout came to Torrance in 1917. They have been active in the St. Andrew's Episcopal Church since the days when church services were held in homes. Mr. Sprout worked for the Union Tool Co., later the National Supply, for a little more than 37 years. He retired three years ago this month.

The couple are the parents of Ralph Sprout, 1427 Beech Ave., Mrs. Anna Baker, Harbor City, and Richard Sprout, 2260 239th St. They have eight grandchildren and three great-grandchildren.

For the newcomers to this fast growing community, the HERALD gladly reprints this Fruit Cake recipe which has become the favorite of so many.

### EGGLESS AND BUTTERLESS FRUIT-CAKE

- |                        |                                       |
|------------------------|---------------------------------------|
| 1 box seedless raisins | 1 level tsp. cloves                   |
| 2 cups sugar           | 1 level tsp. cinnamon                 |
| 2 cups water           | 3 cups flour                          |
| 2 heaping tbsp. Crisco | 1 lb. Eng. Walnuts (chopped)          |
| 1 heaping tsp. salt    | 1/2 lb. citron (small pieces)         |
| 1 heaping tsp. soda    | 1 bottle maraschino cherries (medium) |
| 1 heaping tsp. nutmeg  |                                       |

Boil sugar, water, Crisco and raisins for five or ten minutes. When cool add soda, spices, salt and flour. Lastly add fruits and juice off the cherries but do not stir the cherries in with the cake as spoon breaks them. As you place the mixture in solid deep cake pans place a whole cherry here and there in the mixture. Bake slowly for one and a half hours in a slow, moderate oven. This recipe makes two large sized cakes. The use of a large teaspoon in measuring is advised. Dates may be added if desired.

## Scout Moms Donate Funds For Crafts

Members of the Cub Scout Pack 761 C Mothers' Club sponsored a "Yippee Party" recently at the Evelyn Carr School.

Proceeds of the party went to supply craft materials for the Scouts, according to Mrs. James Carlson, president.

The more than 50 women present vied for prizes and a cake which was auctioned off. The evening closed with refreshments.

Mrs. Ed Sibley was in charge of the party while Mrs. Jewel Jensen was in charge of the car game.

Decorations at the individual tables were blue and gold, made into the shape of a Cub Scout scarf.

### BUFFET DINNER

Mr. Edward Morrison and children, Barbara and Jim, of Los Angeles were dinner guests last Wednesday evening at the Roslin Ave. home of Mr. and Mrs. W. A. Wright. Also enjoying the buffet were Mrs. Wright's sister, Mrs. Sarah Hooker and son, David. The guests were former neighbors of the Wrights.
